ROGAINING...

is a sport for families and individuals of all ages. It involves finding your way through unfamiliar terrain using a map. It's like orienteering except you do it in teams, and you choose the points to visit within a time limit.

They are both highly competitive sports with international fixtures, and also recreations which can be enjoyed close to home. For more information contact the Secretary of Orienteering Hutt Valley, Box 30 398, Lower Hutt, or browse www.ohv.org.nz
